biap

Dear Colleagues,

We are pleased to invite you to the next scientific session of BIAP.

The session will cover some of the most exciting topics in Audiology:

- Audiophonology
- Hearing diagnostic of young children
- Hearing Aid Technology
- Inclusive school models for hearing-impaired children

Lectures will be given in English.

The session is free to enter, and the German Society of Audiology (DGA) has awarded it a certificate with 4 points.

We look forward to welcoming you to Bucharest!

Edilene Boéchat.

Sebastian Cozma

President of BIAP

President of Scientific Session

With the contribution of:

 **GRIGORE T. POPA UNIVERSITY OF MEDICINE AND PHARMACY IASI**
